Fun Run @ lunch

5th Grade Pilot visit 1:50 PM

Club Discovery:

Foreign Language 3:30 PM

Hello Greenfield Gators!

This week we join in the Arizona Centennial celebration. Our 1st Graders will spend time studying the state and making state flags. In 6th Grade students will learn from first person accounts of an Arizona sheriff of what it was like to live in Arizona at the time it became a state. Our 1st Graders will be creatively listing 100 things they love about Arizona. In 3rd Grade students are making name tags that look like Arizona license plates and studying 100 facts about Arizona. Our 2nd Graders will use the Arizona Highways photos to write stories about what Arizona was like 100 years ago. We will have our annual 4th Grade Arizona Statehood Celebration during which students will make dioramas of Arizona's 5Cs, paper mache saguaro cacti, sun catchers of the state flag and quarter, and Ojos de Dios. It should be a very Arizona' centric week at Greenfield!

This week our Kindergarten registration continues. Spread the word in your neighborhood that Greenfield will have free all day Kindergarten next year. If you are interested in enrolling a student, please stop by the office and speak to Jennifer.

Wednesday is an early release day; the students will be dismissed at 12:25 PM. At the assembly I'll announce that our Read-A-Thon is just around the corner! Our hope is to reach the goal PTSO set of a projector, document camera and Smartboard in every classroom. We are very close to achieving this worthwhile goal! Look for more details shortly.

When driving near the Greenfield campus, please be aware of the crosswalks. It would be wonderfully helpful if cars could avoid blocking the crosswalk when students are attempting to cross. As always our main concern is student safety, thank you for your help!

On the back of the Bite is a Harkins Theatre fundraiser sponsored by PTSO. It is your chance to buy summer movie tickets! Check it out!

Have a wonderful week and a Happy Valentine's Day!

Colin M. Kelly
