

Burk Elementary Supply List - 2020/21

1st – 2nd Grade

We will continue with our Burk Success Program for 2020-21. Part of the program is to have our students utilizing common materials in their learning. These materials will support Organizational and Study Skills, which are major factors in students' success at school. The following materials have been purchased, and will be assembled, by our school:

Pocket Folders

Pencils

Crayons

Erasers

Glue Sticks

Scissors

Pencil box

Highlighter

We are asking for a monetary contribution of \$8.00 per student, in the form of cash or check (Burk Elementary School), to offset these costs. You can give that payment to your child's teacher at our Back to School Night/Meet the Teacher. We appreciate it very much!
