## 2. Select Infinite Campus Parent Portal Tile:

## 3. Select Campus Parent:

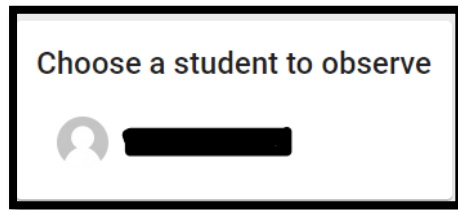

## 4. Enter Parent Login Information:

A login form for Gilbert Public Schools. It includes a title 'Gilbert Public Schools', a 'Parent Username' field, a 'Password' field, and a blue 'Log In' button. Below the button are links for 'Forgot Password?', 'Forgot Username?', and 'Help'. At the bottom, there is a 'Log in to Campus Student' link, an 'or' separator, and a 'New User?' link.

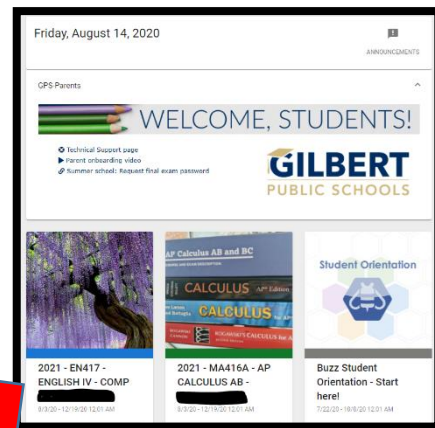

## 5. Select Buzz Login:

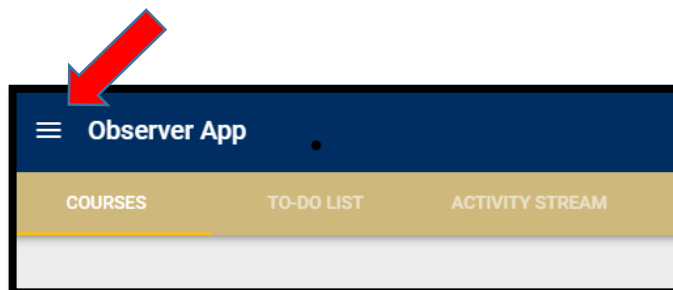

6. Choose a student to observe:

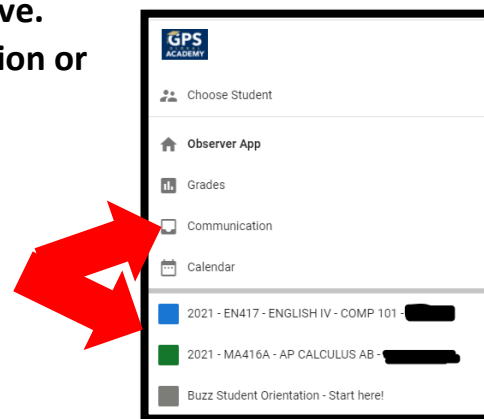

7. To view class from the perspective of your student, click on the individual class tile:

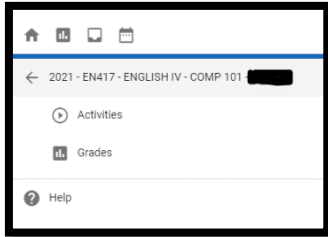

8. To find summary details for each class, click the menu bars at top left of screen:

9. Choose what you would like to observe. You can choose Grades, Communication or Calendar or choose a specific class:

## 10. When choosing a specific class, you can then decide what you would like to observe:

- ACTIVITIES shows the perspective of the student for each class.
- GRADES gives an overview of assignments and scores.

## 11. Choosing GRADES will give access to additional features for each class:

- ❖ GRADES: Summary of assignments and scores
- ❖ DASHBOARD: Quick glance of student progress
- ❖ FOR ME: Specific tasks assigned to student by teacher or self-choice (not available for every class)
- ❖ WHAT IF: Predict your final score by entering projected scores for any activity
- ❖ ACTIVITY: List of class activities and the timestamp and duration of student activity
- ❖ OBJECTIVE MASTERY: List and progress of Mastery tasks
- ❖ STREAM: Overview of teacher posts and student submissions
- ❖ TO-DO LIST: Currently due activities
