Performance Academy Supply List (Continued)

Required Items - to be kept by the student and have with them daily at school. Items may be kept in the student's backpack and/or in the student's cubby.

District Provided Items

Chromebook & Charger - these are provided by the district for the student's use during the academic year. Students should bring a fully-charged Chromebook computer to school at the beginning of each school day. They should also bring the charger in their backpack so, if occasionally needed, they may charge the computer at school. The computer should be taken home each evening to work on remaining daily assignments and to charge overnight so ready for the next academic day.

Family Provided Items to have at school daily.

Extras should be kept at home until needed and students should have enough at school for any given day. Restock from home supply as needed.
