

Welcome to Quartz Hill Elementary! I am the very proud principal of our amazing TrailBlazer community and the home of **BLAZE**, our trailblazing mascot. Quartz Hill is a PreK-6 S.T.E.A.M. (STEM & the Arts), project-based learning school where TrailBlazers create successful academic, service, and social footprints on the 'Trail' using their imagination to innovate and inspire.

Our 'A' rated school has a Gifted program, an Accelerated K-3 primary program, free full day Kindergarten, and an Amanecer preschool. We are committed to the exceptional support of your students academically and socially/emotionally.

T.R.A.I.L. values include: T-Team Player, R-Role Model, A-Accountable, I-Integrity and L-Learner. Critical thinking, problem solving, adaptability, teamwork, creativity and communication are some of the many soft skills that we model, teach, and learn.

Quartz Hill is committed to sustaining productive educational and service learning partnerships with our feeder schools (Campo Verde High School and South Valley Junior High School), Colleges, community services and local businesses. Some of our clubs include: Robotics, Running, Culinary, Sunshine (Service Learning), Reptile and 5-6th Music/Dance performance.

We are so grateful for the opportunity to 'grow' your children. We are appreciative of our remarkable community that has a very active PTSSO and Men's Watch D.O.G.'s organization. We value any time you may have to participate in Quartz Hill community activities. If you have any questions, or if I can support you or your child in any way, please call or come see me.

We look forward to having you on the Trail!

Dr. Joan Henry
