**Mark Your Calendars:  
Parent/Teacher Conferences  
Thursday, November 5  
Friday, November 6**

**Please be on the lookout for  
more information regarding  
signing up for your  
Parent/Teacher Conference.**

Bobcat Families,

Welcome to Second Quarter! Our students have done a great job with yet another transition, in this case from last week's break to being back in school.

As Halloween approaches, we have been given some direction due to the pandemic. Your child's teacher will be providing additional information soon.

Parent Teacher Conferences. Please mark your calendars for Thurs. Nov. 5th and Fri. Nov. 6th. This year we will have you sign up through "Sign Up Genius." Teachers will be sending this information out this week. Our expectations are that 100% of our Families will be in attendance for Conferences.

Snack Reminders. For the 20-21 school year, all snacks brought in for students must be pre-packaged and individually wrapped and be sent at the beginning of day where possible, to reduce contamination potential and decrease need for campus visitors. This includes treats for holidays and birthdays, as well. We appreciate your support in helping keep our campus community safe.

Mark your calendars for our Annual Movie Night. Friday, Nov. 6th @ 6:00 PM. Our movie will be shown on the Intermediate Playground. Free Movie, Water, and Popcorn for everyone in attendance. Candy and Soda will also be sold. We will be practicing Social Distancing and require everyone to wear Masks. Also, the Playground Equipment will be off limits. Come on out and be a part of our first Burk Community event of the school year!

Lastly, mark your calendars for our Burk Elem. Dairy Queen Days.... Thursdays Nov. 12th and Dec. 3rd. Just mention Burk Elementary!!!

Stay Well, Everyone!

Mr. Paes

Digital Citizenship Week, October 19–23, 2020

*Amplify your students' voices and give them ownership of their digital lives.*

Digital citizens think critically about what they see online, understand the benefits and risks of sharing information, and balance screen time with other activities. But digital citizens aren't born—they're taught. Kick off this Digital Citizenship Week by giving your students the space to voice their perspectives on topics important to them.
