

Traditional 2nd Grade Supply List 22-23

Please make sure your student has each item on the individual list. Normally I have a lot of classroom supplies for anyone to use, but to prevent unnecessary interaction, it is important that everyone has their own supplies to use. I am happy to share sanitized supplies if needed, but it will be better for everyone to have their own. If you have a need for any supplies for your student, please privately let me know. I have some extra and can give an individual set to keep if needed! Thank you for your support.
