**Off-Campus Learning/Work From Home**

Small-Group, Independent Learning, 1:1 Support, Assignment Completion.

Note: Teachers will communicate the expectations for students on these days for activities and types of learning. Calendars/Agendas should be available for students from teachers, please see your teacher's Buzz Landing Page which could include checking into WebEx or for specific instructions on the landing page for more information.

**Wednesday Schedule Revision**

Teachers will be online each period to give students instructions for the day. There is no advisory period on Wednesday. Please see your teacher's Buzz Landing Page which could include checking into WebEx or for specific instructions on the landing page for more information.

Adjusted Start Time: The start time on Wednesday's will be 8:30 am to help us accommodate the screen breaks of 10 minutes between classes.

**Staggered Release Times/End of Day Release**

The 6 minute passing period was increased so there could be a staggered release time so students would be able to move from class to class in two different groups which should reduce the traffic in the hallways.

Bus riders will be dismissed from classes first at the end of the day to create a staggered release.

**Breaking Schedules Out By Grade Level**

7th and 8th-grade schedules were separated to allow students to see information related to their specific bell schedule.

Note: 7th Grade students have lunch during 4th period which is why they do not have a 4th-period class. 8th Grade students have lunch during 5th period which is why they do not have a 5th-period class.

**Half-Day Schedule**

As a school, we have moved away from the traditional finals schedule to end this semester. Our teachers will be utilizing a variety of types of assessment throughout the week, possibly offering remediation or providing instruction on these days. Please see your teacher's Buzz Landing Page or direct communication from your teacher if you have any questions.
