

GHS DROP OFF Procedures

GREEN ARROWS = TRAFFIC FLOW

2/3

Gilbert High School has established a student drop off area on the northwest side of the campus. This will be the primary pick up and drop off zone on this side of the school. In order to access the drop off/pick up area, please adhere to the following:

1. Enter the campus on Tiger Drive heading south and remain in left hand lane.
2. Turn left at the designated student drop-off loop.
3. Parents must pull forward along the curb (see green arrow) when dropping off and picking up their student(s).
4. Students may enter at any exterior door until 7:30 a.m. After 7:30 a.m., students and visitors must enter through the GHS main entrance (Administration entrance).
5. After dropping off students, parents will proceed toward Elliot Road and make a right turn only. **Left turns** are not allowed as this will create an unsafe exit, back up and delay in the traffic flow.
6. Only authorized buses, faculty, staff, and student traffic will be allowed to continue south on Tiger Drive to access the Faculty/Staff or Student Parking lots.
7. Parents with appointments or office business will be authorized to continue south on Tiger Drive.
