Check your work

- Things to remember...
 - Some courses can be found in "Non-Credit"
 - You must select 6 classes for a full schedule
 - Select 7 classes if you are planning to take an A hour
 - Any course over 6 may have a \$160 fee
 - DO NOT enter summer school or online course you plan to take during the summer
 - Students with an IEP will work with their case manager in developing their schedules

Last, but not least

- Things to remember...
 - Students will meet with their counselor during their English class to go over their selections and credits
 - These meetings will take place between January 21th and February 12th
 - After the meeting, student course selections will be finalized and locked
-
