

## Highland High School

# Registration Info for Online Students

Registration for the 2021-2022 School Year

## Online Students

This information is provided for students and families that are currently taking courses online through Global Academy but were previously enrolled at Highland High School and/or are assigned to attend Highland High School next year.

Your registration for next year will be handled by Highland High School staff. Please review the information below and follow the steps in order to make sure you have a schedule for next year. Even if you intend to continue to take classes online, you are still a part of the HawkFam and we are here to support you!

This process will help you...

- Complete the GPS Online Enrollment Form
- Understand the courses available for you to take in-person at Highland High School
- Understand the courses available for you to take online through Global Academy
- Communicate your learning plans (in-person or online) for next year with your HHS counselor
- Request your courses for next year

### Enroll

Make sure that you have completed your Online Enrollment Form for Highland High School.

1. Go to <https://www.gilbertschools.net/enroll>
2. Select Existing GPS Families Registration. Make sure to select Highland High School as your school.
