

The background of the slide is a light pink color with a repeating geometric pattern of white lines forming triangles and squares. This pattern is visible in the top, bottom, and side borders of the slide.

# **WELCOME TO FIRST GRADE CURRICULUM**

Mrs. Kane   Ms. Arroyo   Mrs. Painter

# Ready Gen Reading

We will be using the new adopted reading series called Ready Gen which will engage students in higher level thinking through wonderful literature as well as help students understand the elements of a story. We will explore different genres and write about what we have learned through the story.

# Fundations

We will use Fundations to learn how to decode words for reading and spelling. It also helps with handwriting of the letter formation.

# Math

We will be using Harcourt Math which includes unknown numbers and strategies, math facts, story problems, place value, money, time to the  $\frac{1}{2}$  hour and hour, fractions, and shapes.

# Science

We will be incorporating science into most of our reading. Our main learning goal is to understand about living organisms, what they are, and what they need.

A decorative graphic on the left side of the slide, consisting of a teal triangle pointing downwards and a white diagonal line separating it from the dark grey background.

# Social Studies

Our class will learn about communities, citizenship, our state, as well as people of long ago.
