

hello fourth
GRADE

Mrs. Sarlo Math

***Homework will be sent home most Mondays. Your child needs to come to school with that days' homework each day. If there is not homework, I will email you (usually long holiday breaks and at the end of the quarter)**

***Students may correct and resubmit graded work to improve their understanding and their scores.**

Critical Learning Targets

***Build place value understanding to the millions place, including rounding**

***Use addition, subtraction, multiplication, and division strategies to solve problems with whole numbers**

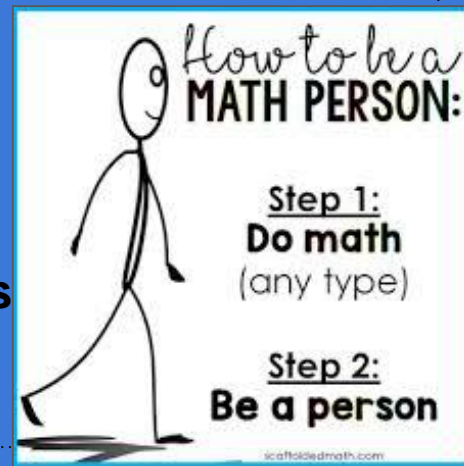

-fluently add and subtract within 1,000,000 using standard algorithm

-multiply and divide using place value strategies

***Develop understanding of fraction equivalence**

-add and subtract fractions with like denominators

-multiply fractions by whole numbers
