

Which Option is Right For Me?

Use this form to determine which in-person or online option best fits your personality, learning style and needs. Every student is different, so there will likely not be an option that fits you perfectly. However, this tool can help you make the most informed decision.

Instructions: Identify and prioritize the statements that describe you the best. Then, find the option that occurs most often in your choices! Research that option at gilbertschools.net/global to ensure it is the right choice for you.
