

Career and Technical Education Instructional Program Information

Program Name: Culinary Arts	Program CIP Code: 12.0500.00
------------------------------------	-------------------------------------

Description: The **Culinary Arts** program is designed to prepare students to apply technical knowledge and skills required for food production and service occupations in commercial foodservice establishments. Students completing this program will possess the technical knowledge and skills required for planning, selecting, storing, purchasing, preparing and serving quality food products. Nutritive values, safety and sanitation procedures, use of commercial equipment, serving techniques and management of food establishments will also be studied. In addition to technical skills, students completing this program will develop advanced critical thinking, applied academic, career development, life and employability skills, business, economic, and leadership skills required for culinary arts occupations. The program utilizes a delivery system made up of four integral parts: formal/technical instruction, experiential learning, supervised occupational experience, and the Career and Technical Student Organizations, FCCLA
