

Career and Technical Education Instructional Program Information

Program Name: Business Management	Program CIP Code: 52.0201.00
--	-------------------------------------

Description: The **Business Management** instructional program prepares students to plan, organize, direct, and control the functions and processes of a firm or organization. Students who successfully complete the Business Management program’s coherent sequence of instruction will develop an in-depth understanding of the business and financial management practices needed for large and small enterprises. The Business Management program includes instruction in management theory, project management, human resources management and behavior, Business Management and other quantitative methods, purchasing and logistics, organization and production, marketing, and business decision-making. Throughout the Business Management instructional program, students learn and practice valuable real-world skills using industry standard office productivity software to manage business functions. Students learn leadership skills and develop their leadership abilities through participation in the state-recognized Career and Technical Student Organization, FBLA (Future Business Leaders of America).
