

Career and Technical Education Instructional Program Information

Program Name: Fashion Design & Merchandising	Program CIP Code: 52.1900.20
---	-------------------------------------

Description: The **Fashion Design and Merchandising** program is designed to prepare students for employment or advanced postsecondary coursework in fashion design production, apparel sales, custom fashion design, supervisory positions in apparel manufacturing, and as buyers for retail establishments. A student completing this program will possess the technical knowledge and skills associated with fashion design, production and selection, wholesale purchasing, sales and promotion. In addition to technical skills, students completing this program will also develop advanced critical thinking, career development, applied academic skills, employability skills, basic business practices and leadership skills required for entry into fashion design and merchandising occupations. The program utilizes a delivery system made up of four integral parts: formal/technical instruction, experiential learning, supervised occupational experience, and the Career and Technical Student Organization, FCCLA.
