

**Career and Technical Education Instructional Program Information**

<b>Program Name: Stagecraft (Technical Theatre)</b>	<b>Program CIP Code: 50.0599.00</b>
---	-------------------------------------

**Description:** The **Stagecraft (Technical Theatre)** instructional program prepares students to participate in the technical and management areas of the performing arts and entertainment industry. In addition, students will possess the foundation skills needed for postsecondary studies in technical theatre. An integrated approach to teaching and learning is recommended as students develop interpersonal relations, career development skills and technical knowledge and skills associated with the performing arts and entertainment industry. Leadership skills are developed through the state recognized Career and Technical Student Organizations, Arizona State Thespians.
