Principal Corner:

Happy New Year!!!! I hope all of you had a fabulous winter break!!! As you walk into the front office please notice our "A" Banner hanging out front of your school. We are proud to say this letter grade is made possible by working together with all Islands Staff, Parents/Guardians and students.

Our Islands Elementary goal for second semester is improving on entire school **attendance**. Just a reminder our campus gates open up at 8:20am for students to arrive, please make sure your child is on campus before 8:35am. It's a proven fact that students attendance rate correlates with higher academic achievements. Please do your best to make all appointments after 3:30pm on regular school days & 2:30pm on early release Wednesdays.

We are pleased to announce that Islands Elementary has purchased a computer based math program called "Reflex Math" for K-6th grade. Islands is really focusing on making sure our students understand their math facts. Please be looking in your students' classroom newsletters for information on how you can utilize this tool at home. So far we have received positive feedback from our 3rd and 4th grade students.

We TEACH - We LEARN
