Parent Whitney Wright represents MHS at the Superintendent Council Meeting and provided a report from the September 4th meeting.

Transportation issues

Bond and Override details reviewed

Council Members discussed the new look at MHS and everyone is pleased and hearing great feedback.. Once the Bond Dollars are passed we will be able to continue with more necessary updates. Some of the updates discussed, reception area,anti vandal doors, new curtain for auditorium.

Members discussed MHS facebook page/group, previous challenges included another Mesquite High School.

Dr. Meyer shared the MHS Tax Credit budget with all attendees, provided a breakdown, explained allocations and discussed 526 donation accounts in detail. It was determined that board members will allow Dr. Meyer to spend with blanket approval if the money is spent on the students of MHS. A blanket approval form will be created and signed by all members at the next site council meeting.

Dr. Meyer briefly discussed Parent University and the Thrive Program. Health and Wellness Prevention Coach Megan Mims will be invited to the next site council meeting for a brief presentation.

Parent Norma Hernandez attended today's meeting and voiced some concerns regarding bus stop locations. PSAT availability to students including 8th graders and Freshman. Tax credit donations, Private/Public school differences. Parent, Whitney Wright, will bring up these concerns at the next Superintendent Council Meeting.
