HOW TO REGISTER YOUR STUDENT FOR SPORTS AT DRJHS (registermyathlete.com)

Desert Ridge Junior High uses Register My Athlete for all students interested in participating in Athletics.

Register My Athlete allows parents to register their athletes for sports online. Please do not register your student multiple times. Each student should have one registration. Multiple accounts can affect your student's eligibility for tryouts. Here are some basic steps to follow when registering your athlete for the first time:

Go to registermyathlete.com.

- Step 1: Create an Account (if you already have an account, skip to Step 2)
 - a. Begin creating your account by clicking the "Create an Account" button. After filling in the required information the system will automatically log you in and you will be required to accept the terms of use.
- Step 2: Start/Complete Registrations:
 - a. Click Start/Complete Registrations on the left side of the screen under "What would you like to do?"
 - b. Follow the onscreen instructions to start a new registration:
 - i. Select School (Mesquite Junior High School)
 - ii. Select Athlete: Here you will select an existing athlete (8th grade students) or add a new athlete. Follow the onscreen instructions for updating athlete information or creating a new athlete.
 - c. Select Year/Sport:
 - i. Please choose 2020-2021
 - ii. Please register for **All Sports** you think your child might want to participate in. This saves time at the beginning of each season if your student is already registered.
- Once you have registered your student athlete, you will be asked to complete Guardian Information, Insurance Information, and Medical Information.
- Physicals: All students are required to have a physical completed **prior** to trying out for any sport. All physicals must be completed on the AIA Physical forms paperwork for the 2020-2021 school year. Forms are available on Register My Athlete. Parents have the ability to upload these physical documents to the system. Uploaded documents will be verified by the admin at the school prior to be accepted as complete. (If a document upload is rejected for any reason, the parent will receive an email with the rejection reason. After the error has been corrected, parents will be able to re-upload the document for verification.)
- Complete registration: **Your registration is complete once all items on the checklist show/state completed.**

DO NOT PAY ANY FEES AT THIS TIME! All fees are due **after** your student has made the team.

After registration: After registration is complete, you can login at any time to view the status of your athlete and their participation on the team.

Should you have any questions regarding the registration process, please contact Laurie McBride in the Athletic Office at (480) 635-2025 x1402.
