

Harris Elementary PTSO Passive Fundraisers

What is passive fundraising?

Passive fundraising is a way of raising funds for the Harris PTSO through your routine purchases, without costing you more money!

Why should I do it?

Harris PTSO strives to support Harris students, staff, and community, and well, that takes money. The Parent Teacher Student Organization helps support the staff with items they need on top of what is provided by the district, plans, purchases and makes teacher appreciation gifts, and also plans and executes activities for the school community! Something amazing we were able to do this year, is install three water bottle refilling stations throughout the school!
