  - Will look into more donations: milk, chocolate milk, creamer, fruit, granola bars, etc
- Yearbook Deposit
  - Amanda and I are meeting next week to write out the check and fill out the tax exempt form

For March, instead of a restaurant night we wanted to propose doing a clothing/household drive.

Sunshine Acres Children's Home has this fundraiser available. No cost to families, just cleaning out your house and not only helping out our school but they will be helping out this wonderful organization. We get paid by the pound.

15 cents per pound of clothing, blankets, sheets, etc.

4 cents per pound for items like toys, books, household items, etc.

If we do this, we would want to start telling families when we come back from Holiday break.

We could maybe take items early and store them at the school and our houses, maybe a few Fridays before the actual collection day.
