Welcome

Treasurer's Report: Beginning January Balance \$ 6,865.68

Past Events:

- Fall Fundraiser
 - We made a total of \$ 3,655.20
 - Mrs. Flagg/Mr. Glore (6th) and Mrs Hennessee (K) won the pizza parties for having the most participation. 6th grade already had their pizza party.
 - Overall we did well with sales and participation, the downside is all the back orders and discontinued product. We had a lot of families receive vouchers for their items, I also still have a box to pass out and I am attaching an apology letter from us as well.
 - For next year, we are thinking of trying something different, maybe a readathon or fun run. We can include more students and not sell anything.

 - 3 staff members received gift baskets who didn't order a water bottle

- Open up the playground on a Saturday and just let the kids play.
 - Student Council could also help with this
 - We could sell popcorn and snow cones. We could also invite food trucks.
 - We could give each student one free snow cone or something. Maybe tie in with Sunshine Acres or a canned food drive?
 - Bring out basketballs, soccer or footballs. Could have music playing. We could even invest in some yard games-cornhole, giant jenga/connect four
