

HJHS School Council

March 28, 2022

AGENDA

- **A+ School of Excellence Input**

 - What makes us unique and successful?
 - What accomplishments distinguish HJHS?
 - What challenges have we faced?
 - How have our school & community successfully managed them?
 - What have we learned from them?
 - Do we have a signature program or another unique initiative that supports a need unique to our school and community? This has to be a truly innovative, unique program. For example, some form of PBIS exists at most schools so can't be included in this section of the application.
