Patsy shared that the Donation account has a balance of \$82.60

Sharon shared...

The building was painted on the outside this summer. PTSO had new playground structures. We are still waiting for a part for the Primary playground.

Phillip shared concerns with Parent Drop-off. We are going to change the procedures and see how that goes. Drop off will be one lane and parents can still park in the parking lot and walk students across the crosswalk by the front office.

Meeting adjourned 3:40pm
