Meeting Minutes

Spectrum raised over \$26,000 at the Fun Run.

We had Butterbraid sales and that usually brings in \$2000.

We have had several events bringing families in and everyone seems to be happy being out and about.

Phillip asked if we have had students out with side effects from the Covid Vaccine. We shared that would not be something shared with staff. It would be information that the nurse may know but not shared outside of her office.

We have been notified that Spectrum is due to receive a new Marquee in the Spring or Summer. We shared different pictures with the School Council for discussion. The majority shared they would like a cross between what Quartz Hill and Towne Meadows has. We will speak with the rep from Summit West Signs to try and draw up a picture for us.

The posting to replace Mrs Boomer as Principal at Spectrum will be starting soon. There will be a hiring committee formed by Administration at district. Phillip Barr-parent, Victoria Brandl-parent, Lisa LaMonica-teacher and Anna Romo-teacher would like to be on the committee.

Meeting adjourned at 3:40pm
