2022 – 2023 PARTNERS IN LEARNING

Student - Parent - Teacher - Administrator - District

We know that learning can take place only when there is a combination of effort, interest, and motivation.

This Compact is a voluntary pledge to work together. We believe that together we can improve teaching and learning; therefore:

As a student I pledge to....

- Attend school regularly
- Work as hard as I can in class and on my school assignments
- Discuss with my parents what I am learning in school
- Ask my teacher questions when I don't understand something
- Respect and cooperate with other students and adults

As a parent I pledge to....

- Have high expectations for my child as an individual
- Help my child attend school regularly and be on time
- Provide a quiet study time at home and encourage good work habits
- Model lifelong learning practices (reading with my child, playing math games, exploring scientific practices)
- Help my child learn to resolve conflicts in a positive way
- Communicate and maintain contact with my child's teacher

As a teacher/specialist I pledge to....

- Show that I care about all students and believe that all students are capable of success
- Communicate and work with parents to support student learning
- Actively and consistently work toward the goal of achieving EXCELLENCE in our school

As a District we pledge to....

- Provide programmatic and technical support to all Title I schools in the development, implementation and evaluation of effective student intervention programs aimed at helping each child meet their full learning potential.

-Angela Marler Conner, GPS Coordinator of Federal & State Programs
